### **Sharing and Prayer**

1. The theme of our study in John is "to awaken and advance faith." As you think about this season, what is one area in which you'd like to grow in living out your faith? Write this down and prepare to follow-up and track God's work in our future sessions!
  
2. What are some ways that you'd like to apply what you just learned to that one area you'd like to grow in living out your faith?

3. Share other prayer requests.
